To Early Childhood Parents,

As you know, the American International School of Budapest is scheduled to start Monday, August 23rd, 2010. The first two days of Early Childhood classes (Pre-Kindergarten 3, Pre-Kindergarten 4 and Kindergarten) have been scheduled as days where teachers will meet individually with families and children. We consider this meeting an important first step in building the strong relationship between your child's home and classroom. You will be notified the week before school starts to schedule a 20 minutes block of time to meet your child's teacher. You may also sign up for this time when you come up to the school for the Elementary Orientation.

During your scheduled time, your child will become familiar with his/her new classroom and teachers and you will have the opportunity to discuss any special concerns or questions you might have. At this time the teacher and teacher assistant will meet with you and provide an overview of the classroom routines.

Also, this is when we will be doing our "Hopes and Dreams" conference. This is an opportunity for you to share your wishes, goals and expectations for your child in the upcoming year. Please take some time to think and talk with your child about what these hopes are before coming to school.

The first full day of Early Childhood Classes will be Wednesday, August 25th, 2010.

We look forward to meeting you!

The Early Childhood Team
